TERRA DI COVIGNANO – Sangiovese Riserva Romagna DOC

Description:

100% Sangiovese from a single vineyard. Ruby-red wine with garnet reflections, clear and bright. On the nose, it has notes of coffee, tobacco, plum, black pepper, and leather. Complex and elegant, with soft tannins, good acidity, and mineral character, in perfect harmony.

Pairings:

- **Bone-in beef steak:** The wine's complex structure pairs beautifully with rich dishes like bone-in steak, enhancing the meat's flavor.
- **Game dishes:** The wine's power complements game meats, like venison or wild boar, cooked with rich sauces.
- **Aged and savory cheeses:** It pairs well with aged cheeses and hard cheeses, such as pecorino, due to its structure and minerality.
